Sports Toto and the Olympic Council of Malaysia (OCM) recently co-organized Go For Sports & Fitness Contest with the objective of promoting the goodness of keeping physically fit and healthy through sports.

Running the contest online, it was essentially meant to engage the netizens comprising mainly the tech-savvy young folks who need encouragement to embrace sports as an essential part of their lives.

All the participants did was to complete a simple quiz relating to the theme "sports & fitness" and briefly share their sports involvement.

During the contest duration from 15 August to 15 September 2013, an encouraging response of about 2,600 entries was received.

The top 3 prizes up for grabs were Samsung GALAXY S4, Samsung GALAXY Note II and Samsung GALAXY Note 8. On top of that, there were 12 consolation prizes comprising Starbucks cards worth RM150 each.

Winners were selected from a pool of 1,595 all-correct entries through random drawing by 3 independent judges from selected sports associations over a ceremony on 18 September 2013 at Wisma OCM, KL.

The top 3 winners from Selangor, Penang and Perak claimed their prizes from Sports Toto's head office as they all happen to be working in KL. As for the 12 consolation prize winners, those living or working around KL claimed their prizes from Sports Toto's head office while the rest had their prizes couriered to them.

The above contest served as a prelude to another joint effort between Sports Toto and OCM, namely, the OCM-Sports Toto Outstanding Athletes of the Games Award for Malaysian athletes who excel at the 27th Myanmar SEA Games which will be held in December this year.
